WEB & DIGITAL LAB

1. **Relevance:** Links must be relevant to the content of the blog post and add value to the reader's experience. Irrelevant or promotional links will not be accepted.
2. **Content Guidelines:** Links should adhere to the blog's content guidelines. This includes avoiding links to gambling, casino, adult content, or any other material deemed inappropriate for our audience.
3. **Anchor Text:** Anchor text cannot be added to the link. The link must be inserted naturally within the existing content of the blog post.
4. **Existing Content:** Links must be inserted into existing content on the blog. We do not accept requests to create new content solely for the purpose of link insertion.
5. **Approval Process:** The website owner reserves the right to decline any link insertion requests. This could be due to relevance, quality, or any other reason deemed appropriate by the website owner.
6. **Editorial Discretion:** The website owner has full editorial discretion over the placement and removal of links. We reserve the right to edit or remove links at any time without prior notice.
7. **No Spamming:** Multiple link insertions from the same source or repeated link requests may be considered spam and will not be entertained.
8. **Disclosure:** Any sponsored or paid links must be disclosed as per relevant advertising guidelines.
9. **Quality Assurance:** Links must lead to reputable and reliable websites. Websites with low-quality content, spammy tactics, or suspicious activity will not be accepted.
10. **Compliance:** All link insertions must comply with applicable laws and regulations, including but not limited to copyright and intellectual property rights.

By submitting a link insertion request, you acknowledge that you have read, understood, and agree to abide by these Terms & Guidelines. Violation of these terms may result in the rejection of link insertion requests and potentially other actions deemed necessary by the website owner.
